CEC Launches B2B News Service

December 6, 2012, Atlanta, Chamber of Eco Commerce --- Eco Commerce Review (ECR) is the leading global source of corporate Eco Commerce news. Launched to advance Eco Commerce across industries and continents, ECR has paved the way for new standards of corporate citizenship, earning the international respect of business and policy leaders, academics, philanthropists, and the media community. Through innovative strategic partnerships, ECR continues to expand its content, communication and distribution channels exponentially.

ECR content reaches a broad highly committed and engaged audience in the international Eco Commerce market through syndication partners, members, subscribers, visitors, mobile technology, databases, newsrooms, social media networks, search engines, financial portals, websites and online communities. As the

exclusive distributor of Eco Commerce News and Reports and information for a global community of Eco Commerce leaders and experts, ECR offers more visibility than any other news source in the world. Viewership includes C-level views from worldwide audience each month. ECR is also distributed through a partnership network comprised of multiple leading organizations within the Eco Commerce sector.

ECR correspondents around the world cover many events and write reports for us. The service offers more than the traditional news service with its Business Reviews, Special report distribution. For subscribers distributing news, ECR offers distribution, global reach and other exclusive benefits.
